MERRIMACK COUNTY DELEGATION**Records of 1956**

January 18, 1956

The Merrimack County Executive Committee was called to order at the Merrimack County Home in Gerrish at 11:20 A. M.

Those in attendance were Chairman Cilley; Davis of Hopkinton; Mulaire of Hooksett; Charland of Franklin; Gay of New London and Bunten of Dunbarton, along with the Superintendent and Matron, Mr. and Mrs. MacDuffie and the three County Commissioners.

A letter was read from the County Solicitor, John Stanley, Jr., informing the Committee that the County was to receive \$3,155.80 from the Estate of Samuel C. Marden.

A letter dated 1/9/56 from W. B. Hill Co., regarding repairs to the County Court House was also read, with a discussion by all present. A motion was made by Gay of New London, seconded by Charland of Franklin to have the County Commissioners have the repairs made. Unanimous vote followed.

A draft from the Attorney General's Office was read regarding a reservoir for the purpose of storing water for the New Hampshire Forestry and Recreation Commission. The subject was discussed at some length but because the Committee had taken previous action, no action was taken today.

The Budget was discussed. Mr. Davis of Hopkinton pointed out that the County had an excess of \$22,582.34 from Commitments and Expenditures, also \$13,828.67 in excess of the estimated revenue for the year 1955 or a total of \$36,411.01. This sum should be subtracted from the amount to be raised by County Tax in the year

1956, according to a resolution adopted by the entire Delegation any net cash balance remaining at the end of the fiscal year 1955 to be applied to reduce the amount to be raised by County tax for the year 1956.

The date for the next Executive Committee meeting was set to be held at the Merrimack County Home at 11:00 o'clock sharp on April 18, 1956.

As there was no more business to come before the Committee it adjourned at 2:00 P. M.

Concord, N. H., February 20, 1956

The meeting was called to order by the chairman, Dr. Cilley, at 2:00 P. M. The clerk called the roll. There were 34 members of the delegation present as follows: Messrs, Phelps, Vaughn, Vogel, Stevens, Ferrin, Henry Hancock, Shea, Lessels, Corbett, Jewett, Rainie, Cilley, Maxham, McKee, Walker, Comi, Broadhurst, Burke, Kenney, Dempsey, Carpenter, Mason, DuDevoir, Mulaire, Davis, Gay, Wilman, Thibeault, Moore and Sargent and Mesdames Davis, Saltmarsh and Nutter.

Dr. Cilley explained that the reason for calling the delegation together was to take action on the use of the surplus money from 1955. He read the following resolution: *Resolved*: That any net balance remaining at the end of the fiscal year 1955 be applied to reduce the amount to be raised by county tax for the year 1956. Commissioner Colby stated that the balance in the Treasury is approximately \$36,000.00.

Mr. Rainie of Concord moved to adopt the resolution as read. This was seconded by Mr. Phelps.

Mr. Kenney said he thought the surplus should be returned directly to the towns to help with taxes. Messrs. Corbett and Comi spoke in favor of this. Mr. Rainie spoke in opposition. He explained that adoption of the resolution would reduce the county tax for the towns. Other speakers were Messrs. Walker, Vogel, Hancock and Wilman.

Mr. Ferrin moved the previous question. This motion was carried.

It was voted in the affirmative by a show of hands to adopt the resolution.

Dr. Cilley called on Solicitor Stanley who had asked for the privilege of speaking to the Convention regarding the problem of juvenile delinquency in our County and State. The next Legislature should be ready to help with this. Attorney General Wyman is working on the problem. Also the Farm Bureau and Home Demonstration agents are giving it serious consideration. Mr. Corbett suggested that the Legislative council consider the matter.

In reply to a question from Mr. Comi regarding the parking lot Commissioner Morgan reported that the city officials are willing to give the County a 20 foot strip. Final action has not yet been taken.

On motion of Mr. Ferrin the meeting was adjourned.

Clerk

Boscawen, N. H., April 18, 1956

The Executive Board met at 11:00 A. M. at the County Home. Mr. Davis presided. The clerk called the roll to which the following members responded: Messrs. Davis, Mulaire, Gay, Bunten, Charland, Cilley

and Mrs. Nutter. The three Commissioners were also present.

Mileage of Committee members was discussed.

Dr. Cilley read a letter from the Merrimack County Bar Association in regard to the use of microfilm for records and the proposed changes in the Court House. This was discussed.

Income and expenses for the first three months of 1955 and 1956 were compared.

At noon there was a recess for lunch.

The comparison of income and expenses was continued. Superintendent MacDuffie believes that there will be sufficient money for the year as the first three months are the most expensive. Commissioner Colby also agrees and believes that there will be a cash balance.

Mr. Colby reported that the Court House floor has been repaired and that steel girders and stay timbers have been used for reinforcement of the building.

Letters of interest from Lester K. Billings, Director of the Bureau of Hospital Service were read. There seems to be no chance of securing Federal Funds toward the purchase of an elevator for the County Home.

Superintendent MacDuffie stated that a new Cooler has been built by labor available at the Farm. A new unit for its operation has been purchased. He invited the Committee to inspect this new installation.

On motion of Mr. Bunten the meeting was adjourned to meet on Wednesday, July 18, 1956.

Boscawen, N. H., July 18, 1956

The meeting of the Executive Committee was called to order by Chairman Davis of Hopkinton. Those

present were Gay of New London, Charland of Franklin, Bunten of Dunbarton, Cilley of Concord, who acted as clerk, the three County Commissioners, the Superintendent and the Matron.

Commissioner McIntosh read an agreement between the State of New Hampshire and the County of Merrimack for the State Forestry Department. Mr. Charland moved that this committee go on record as favoring giving the State Forestry Department permission to build a reservoir on County property. Said land adjacent to said reservoir to remain the property of the County. Unanimous vote in the affirmative.

Adjourned for lunch.

Following lunch the previous question was brought up for reconsideration. It was moved that the County Commissioners arrange with the State Forestry Department and the County Solicitor, to meet with the County Executive Committee at their next meeting to discuss the plans for building a reservoir for the State Forestry Department. The motion was seconded by Mr. Bunten. Vote was unanimously in favor of this motion.

Commissioner McIntosh read a proposal of the Manchester Sand and Gravel regarding parking lot at County Court House. Moved by Mr. Gay, if funds are available, to instruct the Commissioners to have the work done. After discussion the motion was withdrawn.

The statement of the County Home and Hospital for the period 1/1/56 through 6/30/56 was discussed.

Motion made by Mr. Charland that the next meeting be held 10/17/56.

As there was no more business to come before the meeting it was adjourned at 3:30 P. M.

Dr. G. Carroll Cilley presided at a meeting of the Executive Board of the Merrimack County Delegation. Five members responded to roll-call; Messrs. Charland of Franklin, Mulaire of Hooksett, Bunten of Dunbarton, Dr. Cilley of Concord and Mrs. Nutter of Epsom. The three County Commissioners with the Superintendent and Matron were also present.

The Clerk read the minutes of the July 18th meeting.

On motion of Mr. Charland a moment of silence was observed in memory of our late chairman, Mr. Nathaniel Davis. The chairman appointed as a committee on resolutions: Mr. Charland, Mr. Bunten and Mrs. Nutter.

Commissioner McIntosh stated that a new lease pertaining to a water supply for the Forestry Department has been drawn up. Mr. McIntosh also brought up the matter of purchasing the elevator in the Margaret Pillsbury Hospital for installation in the County Home. He read quotations from Stanley Builders of Nashua and a letter from Foster Builders quoting the price of \$14,990.00 including all repair parts as listed.

On motion of Mr. Charland, Mr. McIntosh called up Mr. Paul Amos Mansur and asked him to come up and give the committee more details.

Adjournment was made for lunch.

Mr. Lyle Watson and County Solicitor Stanley joined the group in the afternoon. Mr. Watson reviewed the need of water for the State Nursery. Discussion ensued. Mr. Watson answered questions. Dr. Cilley suggested that a series of shallow wells be dug and connected which would be satisfactory, also less expensive than the proposed reservoir. Commissioner Colby described the drainage of the land in question over a period of years.

The County Solicitor explained the legal points of the proposed indenture. By its acceptance the County

will yield all its rights in the demised premises for the term of the lease. Discussion followed and a vote was taken.

The Executive Committee is unanimously opposed to granting the New Hampshire Forest Nursery the parcel of land as specified in the diagram presented to this Committee in accordance with their lease as drawn. The Executive Committee instructs the Commissioners to so inform the New Hampshire State Forest Nursery.

By request Mr. Mansur appeared before the Committee. In answer to questions he replied that the elevator in the Margaret Pillsbury Hospital is an Otis. He believes it to be good for long, satisfactory service. The Stanley Firm installs and repairs elevators and guarantees their work. He also explained the procedure of moving the elevator.

Mr. Mansur thanked the Commissioners for their purchases of Hospital equipment at his auction. By these purchases the County was able to save considerable money.

Mr. Mulaire spoke in favor of recommending to the Commissioners that the Committee are all agreeable to the purchase of this elevator. The question of financing was considered with general discussion.

The Executive Committee is unanimously in favor of the County purchasing the elevator in the Margaret Pillsbury Unit of the Concord Hospital for a sum not exceeding \$15,000.00 installed in the Merrimack County Home, but as there are not funds available this Committee is instructing the Commissioners to contact Mr. Paul Amos Mansur to inquire if the same may be purchased with payment from funds appropriated by the 1957 Legislative Delegation.

It was voted on motion of Mr. Charland to dispense with the October 17th meeting, and that notices to this effect be sent to members who are absent today.

Commissioner Colby reported a surplus of \$3,353.57 in the Treasury.

The meeting was adjourned at 5:00 P. M.

Concord, N. H., October 31, 1956

Dr. G. Carroll Cilley presided at a Special Meeting of the Merrimack County Executive Committee called at 10:00 A. M. The meeting was held at the request of the Merrimack County Commissioners to consider the water situation previously under discussion.

Seven members of the Committee were present. Also attending were the County Solicitor, Mr. John W. Stanley, Jr., Mr. Arthur E. Bean, Jr., Asst. Attorney General, Mr. Lyle Watson and Commissioners Joseph G. Colby and W. Grant McIntosh.

The Clerk read the minutes of the previous meeting. A correction was made by Commissioner Colby. The amount spent up to September 1, 1956 was \$3,353.57 less than the amount spent the previous year in the same time.

Mr. Charland asked for information. Mr. Bunten stated that he understood that the Delegation had authorized the granting of this water privilege to the state. At the request of Dr. Cilley this record was read from the County Report by Mr. Stanley. He also read the proposed new agreement.

Mr. Charland expressed himself as opposed to the agreement. Discussion ensued. Mr. Watson answered questions. Mr. Bean, representing the State said that the State of New Hampshire is willing to accept the agreement as read.

A motion was made by Mr. McKee, seconded by Mr. Gay, that it be the sense of this Committee that the County Commissioners be authorized to enter into an agreement with the State of New Hampshire to accept the agreement as prepared by the County Solicitor for the sum of one dollar per year paid by the State.

Mr. McIntosh asked to have an addition to the motion that a copy of the agreement, as read by the County Solicitor, be made part of the record. Mr. McKee accepted this amendment to his motion. He then moved the previous question.

On a roll-call vote the motion was carried. Messrs. Mulaire, Gay, Buntin, Cilley and McKee and Mrs. Nutter voted in the affirmative, Mr. Charland in the negative.

The meeting was adjourned at 11:30 A. M.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire the board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent and Matron of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Solicitor, Chaplain, Sheriff, Auditors, and County Extension Service for the year ending December 31, 1956.

The Commissioners concur with the statement of the Superintendent and Matron contained in this report.

We also desire again this year, to express our appreciation of the work of the Federated Business and Professional Women's Club of Concord and to the Kiwanis Club also of Concord who provided a most successful Yuletide party at the County Home.

The following items were in excess of the budget allowance allocated to the County for the fiscal year, 1956:

Board and care of children exceeded the budget allowance by \$4,162.65. This was a result of increasing the regular rate paid for children in foster and institutional care from the standard of \$35.00 per month to \$40.00 per month effective July 1, 1956.

The cost of new construction and equipment at the County Court House, consisting of repairing the floor of the main corridor, exceeded by \$103.44, the amount allocated for this purpose.

The cost of new construction and equipment at the County Home exceeded the budget allowance by \$2,243.83. This included replacement of a deteriorated

refrigerator room in the main building, and the replacement of the boiler in the main heating system to conform to inspection standards.

The foregoing items in excess of the budget appropriation were more than offset by a surplus accruing from the following major items: Poor off farm \$14,737.66, Soldiers' Aid \$4,421.90.

The unexpired balance from these and other items totalled \$17,843.80.

Thus, County expenditures have been confined to the amount allocated for the fiscal year, and again this year, a substantial amount of the appropriation is carried over as surplus.

This has been accomplished despite rising costs and without sacrifice of standards of maintenance and care of physical equipment.

ASA H. MORGAN, *Chairman,*
W. GRANT MCINTOSH, *Clerk,*
JOSEPH G. COLBY,

*To the Board of County Commissioners,
Merrimack County:*

Gentlemen:

The past year of 1956 has seemed very short, although we know it has been the regular length, but when one is busy, and there is much to do, the time passes quickly.

Our population has been higher than in former years, averaging about 10 persons per day, or 3,000 for the year. This has caused an increase in our expenditures for yearly maintenance.

The general health of the residents has been good, even though there has been a number of deaths. These were mostly older individuals.

The garden crop was not as good as the year before, the weather being unfavorable for some crops. However a good portion were frozen or canned for winter consumption, and there was still plenty of fresh vegetables for the table during the season.

We have installed Milk Dispensers in the two Hospitals, upon the recommendation of the State Department of Health. Milk used for drinking in the hospitals is always cold, and has been entirely eliminated from any possibility of contamination. We were unfortunate in losing one of our boilers, which due to its age of 31 years, gave out and had to be made to order and replaced. This was an expense which had not been anticipated. It fortunately all happened at a time when the weather was mild, so that it caused little distress from cold to anyone.

Our recreation program was similar to other years, with two dances being held, as well as the Annual Picnic, and movies to the Open Air Theatre in the evenings. The Christmas Party, sponsored by the B. P. W., and under the able leadership of Miss Bessie Gray, was a most enjoyable affair, with a fine program given with the assistance of the Kiwanis Club and Santa

Claus. Many lovely gifts were distributed to the Residents. The Salvation Army visited the Home and Jail, and gave gifts to all.

Our sincere thanks to all those who helped to make the year a happy one for the Residents; the Merchants of Concord and Franklin; to those who donated books and magazines throughout the year; and to Rev. and Mrs. Thomas and the Carol Singers.

We wish to express our gratitude to the Commissioners, the County Delegation, the Social Workers, Dr. McLeod and the Clergy for their great help during the year.

ALBERT R. MACDUFFIE,
Superintendent.
ANNA M. MACDUFFIE,
Matron.

REPORT OF THE COUNTY SOLICITOR

To the Commissioners of Merrimack County:

The following paragraphs list the number of cases handled by the office of the County Solicitor during the period January 1, 1956 through December 31, 1956. This list itemizes each particular offense and the number of offenses in each category.

Offense	No. of Cases
Murder and attempted murder	2
Embezzlement	1
Forgery	2
Fraud and/or False Pretenses	4
Breaking, entering and larceny	7
Larceny	20
Assaults (Aggravated)	4
Assaults (Simple)	5
Bastardy	6
Reckless Driving — Death resulting	9
Unnatural and Lascivious acts	7
Sex Psycopath Petitions and investigations	11
Rape	2
Gambling offenses	4
Escape from confinement	1
Driving while intoxicated	8
Hunting accidents	1
Cruelty to animals	1
Leaving the scene of an accident	1
Juvenile offenders, including those contributing to the delinquency	12
Appeals to Superior Court including reckless driving, careless and negligent operation, unreasonable speed, and other misdemeanor appeals	25

Non-support actions including preparing or prosecuting Uniform Reciprocal Support Actions	76
Road Repair Petitions	3
Negotiation of County Agreements	2
County claims	3

The year 1956 may be viewed with mixed emotions. Serious offenses (felonies) committed have been less numerous than during 1955. But, the all-inclusive number of cases handled or investigated by the office of the Solicitor have increased to 263, an increase of 47 cases over 1955. In addition, numerous complaints have not been indexed, the complaints proving groundless upon investigation. An increased use of the Uniform Reciprocal Support Petition was made during 1956 together with a great increase in the number of non-support matters. Results gained from the use of the Reciprocal Support Petitions is also viewed with mixed emotions. Administration of the Petitions by receiving states varies greatly as well as do the results. Enforcement of orders made is well handled by certain receiving states while others neglect its enforcement. Certain states are well equipped to handle these matters, others seem to treat the Petitions as nuisances.

Juvenile offenses, although less than 1955, have become alarming. Numerous juvenile matters are handled by the Municipal Courts in which the Solicitor does not participate, as the offense is of a nature not requiring the intervention of the Solicitor. However, the seriousness of the juvenile offense has increased together with the number of female juvenile offenders.

Motor vehicle violations, especially driving while intoxicated cases, are now being well handled. The proper use of the law as amended by the 1955 Legislature is being made, and suspension of licenses is being made in conformance with the Legislative intent.

With the exception of non-support matters and juvenile offenses, 1956 may be remembered as an ordinary year. Perhaps the juvenile statute could be somewhat tightened, making it more workable and understandable and less involved with the Industrial School Statute. Nevertheless, 1956 leaves the office of the Solicitor hopeful that the decline in felonies will continue, and that his office will have the continued co-operation of the New Hampshire State Police, the office of Clyde R. Parker, sheriff, the various City and Town Police Departments, and all other individuals and law enforcement agencies without whose help and co-operation the office of the Solicitor could not function.

Respectfully submitted,

JOHN W. STANLEY, JR.,
Merrimack County Solicitor.
